

Event Policies & General Information

We would first like to start this document with a statement of why it exists. The policies below were created because we have had issues with previous clients doing things that caused a rule to be written. While some policies may seem harsh, or ridiculous, they had to be written because someone did not use common sense. Keep in mind we want you to have fun, that is our main goal. We also want you to be safe, and we want the next client to have the same amazing experience that you will have. Please also keep in mind that this is a small family business and this is how we feed out kids and keep a roof over our heads. We are trusting you with a lot and we ask that you would treat our venue with the same respect that you would treat a friend's house if you were staying there.

The bride & groom, or renter 1 & renter 2 (also referred to as renters, client, or clients) are to read and abide by Bellissima Ranch and Resort (hence forth Bellissima or Bellissima Ranch) event policies & general information & inform the guests & vendors of the policies, per signed agreement. This is a living document and these policies are subject to change without notice. It is the responsibility of the renters to keep up with the most current rendition of this document which is found online on the Bellissima website and should require that all of their guests, vendors, or anyone else they invite to Bellissima to read this document before coming to Bellissima.

STATE LAW, it is illegal to bring alcoholic beverages on to the property. All alcohol must be purchased through Bellissima Ranch. You may cannot bring it with you and store it in the guest house, in a car in the parking lot, or anywhere else on the property.

11. Rescheduling, Refunds, Cancellations & Late Bookings

We would like to preface this section by stating the following. You signed a contract, that says that you agreed to read these policies. If you did not read this before signing your agreement, you have no one to blame but yourself and have no reason to get mad at us. Also keep in mind that when you book a date, you have eliminated the ability for us to sell that date to another person. Think of us selling a date like an auto dealership sells a car, we can't sell it twice. The closer we get to a date the lower the likelihood that we will be able to resell it to a new client. While these policies may seem harsh, you must keep in mind that we are a small family-owned business and we have to feed our kids and keep a roof over our heads. With every cancellation, we lose money. How would you feel if your boss told you that he wasn't going to pay you as much this week, and gave you no notice? Even if an event is fully paid off, we lose out on bar sales. Many people that want to cancel get upset with us because they feel like they got nothing for the money they will lose but again think of it like buying a car. If you take it off the lot, you lost money. If you try to return it even a month later, it will be worth a lot less than it was when you bought it. We also have our time to consider, we put a lot of time into your wedding behind the scenes with booking vendors and correcting situations that you may not even know existed. We also have vendor fees to pay. So just because you didn't see what we did for you does not mean you didn't get anything. You got a lot of our time. We have done a lot for you and we paid our staff and vendor to do a lot for you and that deserves compensation. Please keep these ideals in mind when reading these policies and again remember you agreed that you would read this when you signed the contract.

- Bellissima Ranch does not offer wedding or event insurance but it is highly recommended that you purchase this as, unforeseen circumstances can happen and roughly 10-15% of all weddings get rescheduled or get canceled. Wedding insurance is fairly inexpensive when you consider the cost that you may have to pay for a cancellation. We do not endorse any specific company but we are happy to recommend a company if you need help finding one.
- In the event that unforeseen circumstances happen and Bellissima is forced to reschedule or cancel your event a refund will only be issued to the person who made the reservation & paid the original fee. Bellissima is not responsible for any other reparations due to a cancellation. This may include but is not limited to cost of vendors, invitation, flowers, travel, hotels, catering, DJ, decorations, lighting, preprinted material, etc... The choice to reschedule or cancel the event is at the sole discretion of Bellissima Ranch. Refunds will not be issued for rescheduled events.
- Once a package or date is booked, it may not be downgraded in any way, including but not limited to removal or services or number of days purchased. You may upgrade a package to a higher level but in the event of a price change you will be subject to the current price, at the time of the upgrade, not the original booking date.
- Events may not be rescheduled without express written consent of Bellissima Ranch. Bellissima Ranch typically does not allow events to be rescheduled. Rescheduling is looked at on a case-by-case basis and is up to the sole discretion of Bellissima Ranch personnel. (Changing dates is exceptionally rare. Expect us to say no)
- In the event that Bellissima Ranch does allow a date change, the new date must be within one year of the original booked date and is subject to availability. The new date must also be approved by Bellissima Ranch personnel. The renter must also continue to make their regular payments and Bellissima Ranch may require additional documentation in order to allow for a change. If Bellissima Ranch allows an event to be rescheduled, we reserve the right to limit the dates available to the client. Even if certain dates are available, we may not make them available for you to use.
- Rescheduling due to covid or other pandemic: Unlike other industries, the government has not made any reparations or put any programs in place to help businesses in the events industry. No industry took a bigger loss than event providers. While our policy may seem strict, it is necessary to continue to navigate this pandemic and those that may arise in the future. No cost pandemic reschedules will only be considered if the bride and/or groom are the person(s) affected. No cost reschedules will not be considered for parents, grandparents, siblings, children, friends, bridesmaids, groomsmen, etc... If you feel that you will need to move an event due to the pandemic, Bellissima will require that documentation be provided and we will confer with the current guidelines as recommended by state and federal officials before making a decision. If we choose to move your event due to the pandemic, you will be assigned a new event date. If you have a Sat wedding, we will do our best to keep you on a weekend but cannot guarantee that you will get another Sat date. We also do not guarantee that your event will be in any particular season. IE if you have a fall wedding your new date may not be in the fall. If you want to move your event due to a person attending that is affected by the pandemic that is not the bride or groom, Bellissima Ranch will consider the request but will require the same documentation and reserves the right to charge a change of date fee of up to 25% of a standard booking for the day or days assigned. As per our standard rescheduling policies we do not guarantee and rescheduling. It is at our sole discretion.
- Cancellations must be in written format from either the bride or groom (renter 1 or renter 2). Cancellations are not accepted from outside wedding coordinators, parents, friends, etc. In the event of a cancellation, money paid will not be refunded, this includes the security deposit. Upon signing the contract, the renters agree that they will pay for at least 50% of their event plus their security deposit. If an event is canceled and less than 50% of the sum total of the event invoices plus the security deposit have been paid the renter must pay the remaining balance within 7 days. If a cancellation is given by the renters with less than one month before an invoice is due beyond the 50%, the renters will be responsible for making that payment as well. If, at the point of cancellation, we are within 9 months of your event date, the full price of your event will be due including the bar minimum. Failure to pay will result in litigation.
- Bellissima does not permit guests to sell their event spot. The event contract is valid only for the couple listed.
- The type of event being held at Bellissima Ranch cannot be changed without the express written consent of Bellissima Ranch. IE, if a wedding is called off, you may not decide to use the venue for a party of another sort.

- If items or services sold to a client outside of their package are canceled or removed. Bellissima Ranch charges a 20% cancellation fee for that service plus any cancellation fees charged by the vendor that sells that item or service. When booking vendors through us all of the policies of the vendors that we use will be in effect when it comes to cancellation, changes in services, or tangible items purchased.
- In the event of a power outage, we will make every attempt to restore power, however as a power outage may be prolonged. We will not give refunds in the event of a temporary outage. If a prolonged outage is expected the renters may choose to rebook based on the rescheduling information above.
- It is always best to book services as soon as possible as many vendors to book out. After 3 months before an event, we will not guarantee that we can add any services as we do use many outside contractors. After 30 days before an event, we cannot guarantee that we can make any changes to your event. Some things are easy to change, some things are not. We will do our very best to do any add-ons that we can but keep in mind that after these time periods, there is a very good chance that we will say no, we cannot do it.
- If you do make a change after the 30-day marker, payments must be made via credit card and are due within 24 hours. So, anything bought will be subject to convenience fees.
- Prices begin to increase with many of our services after the 30 days before an event marker. It is in your best interests to make changes with us before the 30-day marker.
- At 10 days before your event, we have reached the cut off and absolutely no changes can be made after this point.
- Bellissima Ranch reserves the right to cancel an event given just cause without the possibility of a refund. Some reasons for cancellation may include but are not limited to inability to make contact with the client, threat of harm to property or persons, dishonesty, falsification of documents or forgery, libel, slander, or defamation of character towards any employees or the business itself.
- Bellissima Ranch may also seek financial compensation in the event that a client commits slander or libel against Bellissima Ranch, or any parties associated with Bellissima Ranch. This policy covers social media, verbal, Google, or any other platform. (The long and short of this policy is that if you break a policy don't try to hurt us for your negligence. On this same note, if your friends and family start speaking about us in a negative light because of your negligence, you have violated this policy by speaking to them about us.)

12. Rehearsals

- All single day packages will be assigned a date and time for rehearsal. Bellissima Ranch reserves the right to change the date and time of your rehearsal at any time up to 30 days before your wedding.
- Rehearsals are limited to 1 hour only, as they may be held back-to-back. If participants arrive late, a full rehearsal may not be possible. Please inform participants of the importance of being on time.

13. Security Deposit

- There is a required security deposit, which must be paid in full on the day of your booking.
- The security deposit will be forfeited if any of the rules are broken. - If no rules are broken, no damages occur and everything including minibar drinks are paid for, the security deposit will be refunded by either returning it to your credit card or by hand written check.
- Deposits are refunded no later than the last day of the month following the event to the address on file. IE if you event was on September 5 your security deposit will arrive on or before October 31st.
- Any damages caused that are over amount of the security deposit are the responsibility of the renter to pay and may be charged to the credit card on file. Repair costs will be billed at a minimum of \$150/hour plus parts markup. Any damage that results in the delay or inability to host another event will result in costs of the event or events being billed to the renter and renters or responsible party will be prosecuted to the fullest extent of the law. Any and all damage bills are due immediately, and may be billed without notification.
- If the resulting damages or expense is over the amount paid on the security deposit, the credit card on file may be charged.
- Giving out inaccurate, deceptive, or untruthful information either written or spoken, will result in the immediate loss of your security deposit. We strive to make our business better every day but spouting off information for issues that are beyond our control or making us look bad because you did not meet certain stipulations of your agreement will not be tolerated. This can include but is not limited to bad weather or a guest that behaved inappropriately, not meeting a bar minimum, not paying for drinks out of the minibar, bringing in outside alcohol, etc...
- Deposit will be returned to the address that is listed on the renter's contract. If a change in address occurs after the contract is written, it is the responsibility of the renter to set up a forwarding address with the post office and/or contact Bellissima Ranch to inform us of the address change. Only the renters listed on the contract may make changes to the address and they must be submitted in writing or sent to us through an email address listed on the contract.
